Welcome to Okka Products

Okka Products is the specialist range of material handling products from leading plastics manufacturer, **A Plus Plastics**.

A Plus Plastics is a 100% Australian and for nearly 40 years, A Plus Plastics have been developing and manufacturing a range of plastics products; their wealth of knowledge in the industry is second to none.

Okka Products suit a range of industries and applications including:

- Security Crates
- Fishing crates and trays
- Stack'n'Nest bins
- Bulk handling crates, trays and bins

The Okka Products range offers a vast array of colours and sizes and can be matched with secure fitted lids and skates for ease of movement.

A Plus Plastics custom design and manufacture specifically to suit clients wants and needs. Services include -

- injection moulds
- vacuum moulds
- diecast moulds
- blow moulds
- jigs and fixtures

A Plus Plastics offers custom solutions for those who are after specific features, size, colour and design. They will work alongside you to develop products, custom tooling and injection moulding.

A Plus Plastics can handle your design project from start to finish.

Quality corporate branding is also available along with sequential numbering for crates and skates (minimum order 500). Branding is done in-house to make it cost effective, with minimal lead times.
